

Laipni lūdzam Skye un Lochalsh

Skye sala ir populārs apmeklētāju galamērķis un tās gleznainā ainava ir Cuillin kalnu pārvaldīta. Tūrisms kopā ar mežsaimniecību, piekrastes zvejošanu un zemes apstrādāšanu ir šī apgabala galvenās nozares. Skye salu ar cietzemi savieno Skye tilts, kā arī prāmju satiksme (sezonas), kas kursē uz Western Isles, Mallaig un Lochalsh.

Neskaitot Skye salas dabas skaistumu, šī sala arī vilina ar Eilean Donan pili, kas atrodas netālu no Kyle un Dunvegan pils, kas ir bijusi mājas Skye salas Macleods priekštečiem. No šī apgabala ir arī cēlusies gēlu valoda. Sabhal Mor Ostaig pilsētā, kas ir netālu no Armandale pilsētas, atrodas UHI Gaelic College (gēlu valodas koledža).
