

Sveiki atvykę į Sutherland

Sutherland dengia didžiausią plotą Šiaurinėje Škotijoje. Jo reljefas - tai smėlio paplūdimiai ant uolėtos pakrantės ir įspūdingi kalnai. Neseniai padarytos multimilijoninės investicijos į žuvis pramonę Kinlochbervie ir Lochinver miestuose pavertė juos svarbiais strateginiais žuvis pramonės uostais visoje Jungtinėje Karalystėje.
